

MESSAGGIO DEL PRESIDENTE

Buon Anno!

We had a very good 2018 and look forward to an even better 2019. Our staff led by Nick Figone did a great job in managing and serving the many Club functions as well as outside events. Financially we are more sound than we have been in decades and we have made some significant improvements to the entry and bathrooms. Discussions are currently under way regarding future enhancements to the facility as well as to membership enjoyment.

This past year saw contributions from many people such as Paul Massaro who headed up the wine and strategic planning committees. Most would agree that our wine and bar selection have greatly improved from years past. Personally, I don't miss the "Dago Red" and enjoy the upgrade. Members had also wanted to see that our Club "tighten up" for the membership. Paul and the strategic planning committee stepped up to the task and installed the card locks at the elevator and billiard room door as well as implemented a policy to enforce non-members who were unaccompanied by members. We are a private Club that members pay the privilege to belong to and we are trying to make this the best experience for them as possible.

Joe Marino headed up the capital improvement committee and worked with the IABA in completing our new restrooms and entrance lobby. Roberto Lombardi oversaw the project which went smoothly under his control. We look forward to Joe and Roberto working on further improvements to our Club.

If you haven't noticed, Joe Ostarello and Chris DiGiacomo have been bringing new members in at a record pace! We have a lot of new and younger members and a big thanks to both of these guys for their efforts.

Unfortunately, I do not have enough space in this column to thank all the people who contributed so much this past year and can only give one more "shout out" to my Vice Presidents, Manuele LaTorre and Chuck Canepa. Without both of you, I could not do this job which as we all know is a "piece of cake"!

We know and acknowledge that the most precious asset of the Club is the membership and the board and I have worked hard on their behalf. 2019 is looking even better for the Club and its members with events that are relevant to today's members. Happy New Year Everyone!

I enjoy a glass of wine each night for its health benefits. The other glasses are for my witty comebacks and flawless dance moves.

Your President, Guido Perego

Ciao Tutti!

Abbiamo avuto un ottimo 2018 e non vediamo l'ora di un 2019 ancora migliore. Il nostro staff guidato da Nick Figone ha fatto un ottimo lavoro nella gestione e nel servizio delle numerose funzioni del Club e degli eventi esterni. Dal punto di vista finanziario, siamo più solidi di quanto lo siamo stati in decenni e abbiamo apportato alcuni miglioramenti significativi all'ingresso e ai bagni. Sono attualmente in corso discussioni in merito ai futuri miglioramenti della struttura e al godimento dei soci.

L'anno scorso hanno visto il contributo di molte persone come Paul Massaro che ha diretto il vino e le commissioni di pianificazione strategica. La maggior parte sarebbe d'accordo sul fatto che la nostra selezione di vini e bar sia notevolmente migliorata rispetto agli anni passati. Personalmente, non mi manca il "Dago Red" e mi godo l'aggiornamento. I membri avevano anche voluto vedere che il nostro club "stringeva" i membri. Paul e il comitato di pianificazione strategica si sono messi al lavoro e hanno installato le serrature delle carte presso la porta dell'ascensore e della sala da biliardo e hanno implementato una politica per far rispettare i non membri che non erano accompagnati dai membri. Siamo un Club privato a cui i membri versano il privilegio di appartenere e stiamo cercando di rendere questa la migliore esperienza possibile per loro.

Joe Marino ha diretto la commissione per il miglioramento del capitale e ha lavorato con la IABA per completare i nuovi servizi igienici e la hall d'ingresso. Roberto Lombardi ha supervisionato il progetto che è andato liscio sotto il suo controllo. Non vediamo l'ora che Joe e Roberto lavorino per migliorare ulteriormente il nostro club.

Se non l'hai notato, Joe Ostarello e Chris DiGiacomo hanno portato nuovi membri a un ritmo da record! Abbiamo molti nuovi e giovani membri e un grande ringraziamento a entrambi questi ragazzi per i loro sforzi.

Sfortunatamente non ho abbastanza spazio in questa colonna per ringraziare tutte le persone che hanno contribuito tanto allo scorso anno e posso dare ancora un "grido" ai miei Vice presidenti, Manuele LaTorre e Chuck Canepa. Senza di voi due, non potrei fare questo lavoro che, come tutti sappiamo, è un "pezzo di torta"!

Sappiamo e riconosciamo che il bene più prezioso del Club è l'appartenenza e il consiglio e ho lavorato duramente per loro. Il 2019 guarda ancora meglio al Club e ai suoi membri con eventi rilevanti per i membri di oggi. Buon anno a tutti!

Mi piace un bicchiere di vino ogni sera per benefici di salute. Gli altri bicchieri sono per le mie spiritose e impeccabile mosse di ballo.

Il vostro presidente, Guido Perego

Kids' Christmas Party

Santa came early to celebrate Christmas with members and their families. Club member Guido Mastropaolo's Gio Gelati cart was a big hit with the adults and kids alike. The gelato is fantastic and make sure to pay his shop on Union Street a visit if you haven't yet. A special thank you to Joe Marotto and Gene Lanzone for getting the perfect tree and to Chuck Canepa for decorating the tree and getting all the gifts (big thanks to Mrs. Claus aka Denise Canepa too!). Thank you to member Joe Forte from Pasquale's pizza for once again donating his delicious pies for the kids to enjoy. Grazie mille!

Reserve the Gio Gelati cart for your next event.

You missed out if you didn't attend our fantastic night of Abruzzo art, food and wine. All the way from Guardia Vomano (Abruzzo), butcher brothers Ercole and Stefano Fasciocco brought their mother and cousin to assist with the preparation of a true Italian feast. They prepared their specialty arrosticini (lamb) skewers, porchetta and timballo. The brothers are true artisans and the meal delicious!

NEW MEMBERS

Ciao a tutti,

The Club had a banner year. We inducted seventy-five new members from near and far. Several San Francisco natives joined along with associate members from as far as New Hampshire and Connecticut. Meet the twenty new members inducted in November and December and Giordano Capovilla, who is not pictured. Several additional applications have been approved and the members will be sworn in at the January general meeting. We anticipate that our membership will continue to grow throughout the rest of the year and we welcome all applications. It should also be noted that if any member sponsors at least two people inducted into the Club this year, he is eligible for a free stag dinner.

HOW TO JOIN THE SFIAC

If you want to join one of the best fraternal organizations in the nation, here's all that your friends and relatives need to do: Get a membership application at the Club bar or online at www.SFIAC.org. Then, e-mail the membership chairman, **Joe Ostarello**, at joe.ostarello@SFIAC.org for an interview time. After successfully completing the informal meeting, candidates will be admitted conditionally, pending approval by the board of directors. Initiation and dues' payments may be made by check or credit card at the successful conclusion of the pre-membership interview.

General Meeting Prize Drawing

A continuing feature for the General Meeting is the drawing for a monetary prize. Each meeting, an active Club member's name will be drawn and if that member is present, he will win the prize pool. The prize pool will increase \$25 for each month that the pool is not claimed.

Monthly General Meeting

Come have some pasta, salad and wine at our General Meeting, held monthly, on the third Tuesday of every month, beginning at 6:30 PM. This meeting gives the members an opportunity to share their opinion and hear the latest Club developments. It is also an opportunity to meet other members and talk to committee heads for those activities that you may be interested in joining.

Committees

The SFIAC runs on committees and we are looking for your involvement. Without committees, Club functions simply would not exist. The following are the committees you may consider joining:

Financial, Communications, Technology, Sports, Golf, Bocce, Statuto Race, Membership, Social, Italian Heritage Day, Merchandise, Festa, Raffle, By-Laws, Children's Christmas, Wine, Bar and Language.

Do yourself and the Club a favor at the same time – get involved. Please e-mail joe.ostarello@SFIAC.org and let us know the committee you have interest in and the committee chairperson will be calling you back. It is a way to be involved in your Club as well as expand your circle of friends.

Friday Night Buffet

The ever-enticing Friday night buffet in the members' bar will continue in 2019. Enjoy a cocktail, dinner and the game with fellow members and friends. Food comes out at 6:30 PM. The buffet is complementary to members and their guests.

MESSAGE FROM CHIEF OPERATING OFFICER

Your increased membership dues have been reinvested in the Club through the replacement of a steam boiler serving the sauna. The previous boiler lasted over thirty years and we hope this costly undertaking will last just as long. The sauna should be up and running just in time for New Year's resolutions, so hit the treadmill and enjoy a hot steam afterwards. Towel service is available for purchase (\$2) at the Members' Bar.

Your membership dues statement included two new payment methods this year -- online and monthly recurring. The monthly recurring option can be activated with an email or call to the office after which Gina will issue an electronic invoice. There have never been so many options to pay your dues so please take advantage of one of them.

Thank you, Nicolas Figone, COO

SFIAC Members' 2019 Dues

It's time to pay your 2019 dues. Statements went out in mid-November. If you did not receive a statement please contact me to update your address. We have added an option for Regular Members to pay the yearly \$420 in monthly installments of \$35. Please contact me to sign up for this program. Dues for all category of members may be paid online (where event tickets are sold), calling the office or mailing payment. Please contact me with any questions. MESSAGE ABOUT THE CLUB BYLAWS

In November, the General Membership met to vote on five new By-laws proposals. All were passed and will be implemented in 2019. Thank you to all the members that showed up to the most important meeting of the year. During this meeting, changes to the Bylaws will be discussed and voted on.

The following are the bylaw changes:

Article VI

Section 3B7 - Voting

Current reads: All ballots must be submitted and inserted into the election ballot box by 9:00pm on election day.

Approved: All ballots must be submitted postmarked no later than election day.

Section 4B

Current: The committee shall commence the vote tabulation at 9:00pm on election day.

Approved: The committee shall commence the vote tabulation at 5:00pm on the Tuesday following election day.

Reason for change: Ballots are mailed to all members and the "turn-around time" is too tight resulting in many votes which are currently not included in the election. This proposal allows for a more inclusive voting process of the general membership.

Proposal presented by: Guido Perego

Article VIII

Section 4A – Expense Limitation

Current: Any expenditure of capital importance, for a specific project in excess of \$12,000 can only be authorized with the approval of the general membership at a Special or regular general meeting.

Approved: Any expenditure of capital importance, for a specific project in excess of \$30,000 can only be authorized with the approval of the general membership at a Special or regular general meeting.

Reason for change: To bring expenditure policy to current monetary relevance.

Proposal presented by: Paul Massaro

Article VIII

Section 1B – Place and Time of Meetings

Current: Regular meetings of the Board shall be held at 19:00 hours (7:00pm) on the second Tuesday of the month.

Approved: Regular meetings of the Board shall be held at 17:00 hours (5:00pm) on the third Tuesday of the month.

Reason for change: To minimize directors requirement of coming in two consecutive weeks and conducting the same business on one day.

Proposal presented by: Paul Massaro

Article X

Section 3 – Term of Office

Current: A. Officers shall be elected by the general membership and each officer shall hold office for two (2) years until his successor is elected and qualified or until he resigns or is otherwise disqualified. B. The First Vice President and Second Vice President can only serve in the same capacity for two (2) consecutive years. A President may serve two (2) consecutive terms of two (2) years only. Subsequently, he shall not be eligible to run for President again and shall not be eligible for nomination to the Board of Directors for a period of two (2) years thereafter.

Approved: A. President may serve two (2) consecutive terms of two (2) years only. Subsequently, he shall not be eligible to run for President again and shall not be eligible for nomination to the Board of Directors for a period of two (2) years thereafter.

B. The First Vice President and Second Vice President can only serve in the same capacity for two (2) consecutive years. In the event the President runs for a second two year term, the First and Second Vice Presidents shall become eligible for a and additional two year term.

Reason for change: This will bring the bylaws in conformity with the President's ability to run for a second two year term.

Proposal presented by: Scott Bambacigno
